

@thebartonclinic

This clinic is for everyone. Whether you are working with men, women, youth or elite. Think of this event as a “workshop”. A place to ask questions, exchange ideas and make new friends.

# Stockholm

26-27th of August

## RYAN PANNONE

is known as a top level Development Coach and he will take a deep dive into Player Development, Offensive scemes and how to play when your system breaks down - how to develop basketball IQ.

## MIKE MACKAY

is the Performance Manager at Canada Basketball Women's High Performance. He will go into details of Offensive and Defensive Spacing.

## APOSTOLOS KALPAKAS

is one of the most merited eferrees in Sweden ever. He will talk about Rule interpretations and proper Communications where he will engage the clinicians in an open dialog.
